

Certified Vote Count 2024 Student Body Elections April 11th - April 12th

All Senate races that resulted in write-in ties for first place will go to the Senate-elect to determine the winner. All “other write-in votes” indicates the cumulative percentage of all write-in candidates. In these situations, the per candidate percentage is lower than the listed. Percentages may not add up to 100% due to rounding. Total vote count may not equal the number of individual votes cast in multi-seat races. Total number of votes does not equal the number of voters in each race.
