

Petition of Support

We petition for the inclusion of _____ on the 2024 General Election Ballot for the office of _____. By signing, we support the appearance of the above-named person on the ballot. This page of signatures collected by _____ *

****Signatures must be collected only from members of the uniform constituency group that the candidate is seeking to represent. The top portion of this sheet must be filled out prior to the collection of signatures. Remember that all authorized agents must be registered with the JEC prior to collecting signatures. CANDIDATES MUST READ ALL RULES ADOPTED BY THE JEC AND THE JEC BYLAWS PRIOR TO COLLECTING SIGNATURES. It is recommended that candidates collect more than the minimum number of required signatures, as erroneous GWIDs and college memberships will render those signatures invalid.***
